2 Long live the Americans!

Btw I got this text message from Stop the Steal:

ROLL CALL: if President Trump needs YOU, are you prepared to march and peacefully occupy DC with STOP THE STEAL to protect the President? Ali is. If you'll join him, reply back with the word READY.

We're the Nazis still using old broom-handle Mausers? I thought the Luger P09 would have been the more common sidearm.

9 Its time to remind politicians that the people are the ones who hold the power, not unelected bureaucrats.

▼ Don't know but we can't all stay in hotel rooms. We need to clog the streets and STAY there, so nothing can move. This idea was first presented here in an AMA hosted by a State legislator. I didn't like it at first but now it makes a LOT of sense to me! As Congress tries to get to their meeting 1/6 they will realize who they should fear. SCOTUS needs that shakeup, too. This will require some serious planning, obviously. We need a post for each State, to coordinate carpooling, caravans, etc.
